Allyson is a student in her twenties living in Asheville, North Carolina. She has been penning poetry for most of her young life and has now begun to incorporate her poetry into her works of fiction. “Discovering The Joy Within” began as a short story, published in the highly acclaimed inspirational anthology, **The Triumph of My Soul**. The short story received rave reviews and those reviews inspired the author to tell the story in its entirety, as it is loosely based on actual events from her life.
